

ENTREPRENEURIAL INCUBATION MINISTRY

FOUNDATION SCRIPTURE: LUKE 19:12-13

¹² Therefore He said: "A certain nobleman went into a far country to receive for himself a kingdom and to return. ¹³ So he called ten of his servants, delivered to them ten talents,^[b] and said to them, '**Do business till I come.**'

FAITH CONFESSION

Father your word says to do business until you return, therefore I thank you for blessing me with (say your business name) the business that you have entrusted me with. I yield it totally to you. Because I don't walk in the counsel of the ungodly (following their plans & purposes), nor stand submissive and inactive in the path where sinners walk, nor sit down to relax and rest where the scornful and mockers gather, (say your business name) is blessed (happy, fortunate, prosperous & enviable). The delights and desires of (say your business name) are in the precepts, instructions and teachings of your word and because I meditate on your word day and night, I know that I am firmly planted and bringing forth fruit. Everything that I do prospers and comes to maturity. In Jesus name, Amen.

INCUBATION DEFINED

The slow development of something, especially through thought and planning

Scope of Program

Business incubation programs are often sponsored by private companies or municipal entities and public institutions, such as colleges and universities. Their goal is to help create and grow young businesses by providing them with necessary support and financial and technical services.

Love Unlimited Christian Ministries Center is in the Englewood Community on the south side of Chicago, a low-income area where a lot of positive influences and opportunities are not readily available. We have found that there's a lot of potential and opportunities for economic growth, job creation and business ownership but business education is needed.

OUR PROGRAM IS DESIGNED TO ACCELERATE THE GROWTH AND SUCCESS OF ENTREPRENEURS SEEKING TO EXPAND AN EXISTING OR START THEIR OWN BUSINESS. THIS WILL BE ACCOMPLISHED BY GRADUAL DEVELOPMENT OF THOUGHT AND PLANNING THROUGH AN ARRAY OF BUSINESS SUPPORT RESOURCES AND SERVICES THAT COULD INCLUDE SEMINARS, WORKSHOPS, ACCESS TO CAPITAL, COACHING, AND NETWORKING CONNECTIONS.
